Immersive Learning – Shaping the Future

Striving for Excellence…

Thursday 10th September 2026

Dear Parent/Carer,

As you know we have just started working with a new catering partner, Accent Catering. We are delighted to be working with them and are excited about the nutritious new meals they will be serving our children!

As part of this new service, you'll be able to pre order your child's meals via KANPLA, an easy-to-use online meal ordering system.

To set up your KANPLA account, KANPLA will need access to relevant information about your child held by the school and your email address so they can register you for the pre-order service. Please can you indicate your agreement with this by filling in the details below and returning the permission slip below to the class teacher **no later than Monday 14th September 2026.**

Yours sincerely,

Nick Miller
Head of School

Accent Catering – KANPLA

I give permission for KANPLA to access my and my child's relevant information for the purpose of providing and managing the school meals service.
